DETAILED ACTION

Summary

On October 25, 2006, an Office Action was sent to the Applicant rejecting claims 1-12. On January 8, 2007, the Applicant responded by amending claims 1-12.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

Claims 1-12 are rejected under 35 U.S.C. 102(e) as being anticipated by Narayan (2004/0088245).

Narayan discloses a corresponding module and computer-readable medium for letter of letter of credit document production and confirmation comprising an issuing bank issuing a letter of credit in favor of a beneficiary upon application by an applicant, an advising bank advising said letter of credit to said beneficiary, a nominated bank receiving at least one document presented under the letter of credit for at least one of payment, acceptance, and negotiation, where said nominated bank and said issuing bank have agreed to program conditions pursuant to which said nominated bank, based upon its own examination of said document and before said document is forwarded to, received, and accepted by the issuing bank, will at least one of pay,

Response to Arguments

Applicant's arguments with respect to claims 1-12 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
